GRADUATION GOALS

MECDHH/GBSD, in collaboration with local secondary education programs, coordinates the high school program for deaf students. [The students are required to meet the graduation requirements promulgated by the State of Maine.] The requirements, delineated below, are to be used as a planning guide for student instruction in MECDHH/GBSD’s K-8 program.

Twelve and one-half (12 ½) required credits are specified by the State of Maine. They are:

- A. English – 4 credits;
- B. Social Studies and History, including one year of American History and Government – 2 credits;
- C. Mathematics – 2 credits;
- D. Science, including at least one year of laboratory study – 2 credits;
- E. Fine Arts, which may include art, music, forensics or drama – 1 credit;
- F. Health – ½ credit; and
- G. Physical Education – 1 credit.

The State also requires that student demonstrate a knowledge of computer skills according to the school unit’s standards for computer literacy, proficiency, and performance.
