

PUBLIC COMMENTS AT BOARD MEETINGS

Board meetings are conducted for the purpose of carrying on the official business of the school system. All regular, special and emergency meetings of the Board are open to the public. The public is cordially invited to attend and comment during Board meetings as provided in this policy.

Although Board meetings are not public forums, the Board will provide appropriate opportunities for citizens to express opinions and concerns related to the matters under consideration by the Board. The intent is to allow a fair and adequate opportunity for the public to be heard and to provide adequate time for the Board to obtain information and opinion on subjects before it, while ensuring that the time allowed for public comment does not interfere with the fulfillment of the scheduled agenda.

The following guidelines shall apply to public participation at Board meetings:

- A. Stakeholders and employees of the school unit are welcome to participate as provided in this policy. Others may be recognized to speak at the Chair's discretion. Individual employees and/or employee groups will not be permitted to comment on matters for which complaint or grievance procedures are provided.
- B. The Chair may limit the time allotted for comments on a particular topic as well as the time each individual may speak.
- C. In the event of a sizeable audience, the Chair may require persons interested in speaking to sign up so they may be called on in a fair and efficient manner.
- D. During the time set aside for public participation, the Chair will be responsible for recognizing all speakers, who must identify themselves as they begin talking.
- E. Speakers are not permitted to share gossip, make defamatory comments, or use abusive or vulgar language.
- F. All speakers are to address the Chair. Any questions or comments to particular Board members or the Executive Director will be made only with approval of the Chair. Requests for information or concerns that require further research may

be referred by the Chair to the Executive Director to be addressed at a later time.

- G. Members of the Board and the Executive Director may ask questions of any person who addresses the Board but are expected to refrain from arguing or debating issues. Questions must be addressed through the Chair.
- H. No complaints or allegations will be allowed at Board meetings concerning any person employed by the school system or against particular students. Personal matters or complaints concerning student or staff issues will not be considered in a public meeting but will be referred through established policies and procedures.
- I. In order to make efficient use of meeting time, the Board discourages duplication or repetition of comments to the Board. The Board requests that groups or organizations be represented by designated spokespersons.
- J. The Chair has the authority to stop any presentation that violates these guidelines or the privacy rights of others.
- K. Persons who disrupt the meeting may be asked to leave, and the Chair may request law enforcement assistance as necessary to restore order.

An agenda shall be published in advance of each meeting in accordance with Board policy. Copies will be posted and/or available prior to regular meetings on First Class and www.gbsd.org . Anyone desiring additional information about an agenda item should direct such inquiries to the Office of the Executive Director.
