

Kids Like ME

May 18 and 19, 2018

6th-12th Grade Overnight

Kids like ME is back in Bangor!

1. **Why do we offer a session in Bangor?** *Public School Outreach at MECDHH is a statewide program. Many of the students we serve live in central and northern Maine. We feel having one overnight centrally located supports these students to have easier access to this wonderful program.*
2. **Can students from southern Maine still attend?** *Yes, of course! Students statewide can attend! MECDHH will be providing transportation from MECDHH to our location in Bangor. We will also be stopping at the Governor's Restaurant in Waterville to pick up students.*
3. **Where will they be sleeping?** *The Unitarian Universalist Society of Bangor Church (UUSB) has generously offered their facility for our program, but the program will totally be an MECDHH overnight run by MECDHH staff.*
4. **What is different?** *To accommodate everyone we had to change registration times and pickup times for some of our students. Please read the "Registration and Transportation Schedule" carefully. Any questions please contact Patty.*
